

## Computer Use Agreement for Primary Students 2020-2021 At Home Learning

When I use a computer for my schoolwork, I agree to be **Responsible, Respectful** and **Safe**.

### **Responsible**

I will keep my computer clean by washing my hands before use.

I will keep it away from food and drinks.

I will keep it firmly placed on a table and use gentle hands when attending class lessons.

### **Respectful**

I will only use the apps my Teacher instructs me to use.

I will participate in class lessons by raising my hand to speak and listening when others are speaking.

I will not record or take pictures without asking for consent from others.

### **Safe**

I will never search for materials that are not needed for my schoolwork.

I will keep all settings on my device as set by my Teacher and parents and keep my personal information, like passwords and address, private.

I will tell my parents or Teacher if I see or hear anything that make me feel uncomfortable.

I understand a computer is a tool to help me learn from home. If I am not sure how to do something, I will ask for help.

I know I can follow these expectations.
