

Springmont's Strategic Plan

Springmont's Strategic Plan, adopted in May 2025, is designed to focus our efforts on priorities most important to our continued success and aims to unite our school community around shared goals rooted in our mission and vision. Key focus areas include fostering meaningful community engagement, ensuring the sustainability of our finances and facilities, deepening our commitment to creating an inclusive and equitable environment, and strengthening our dedication to authentic, high-quality Montessori education.

We invite you to join us as we bring this shared vision to life.
